## **Keeping the vision alive**

On June 12, 2009 the Black Jewels Ladies' Golf Association of Florida hosted the 'Lorian Williams 4<sup>th</sup> Annual Millionaire "HERstory" conference in Tampa, Florida.

BJLGA of FL produced this year's event in honor of our founding president, Lorian S. Williams. Lorian was very committed to making a difference in the community. This year's theme was "Empowerment through Wealth, Health, and Wellness".

Barbara Manzi, owner of Manzi Metals, Felecia Wintons-Taylor, a breast cancer survivor, and Dr. Karen Beard, owner of Active Lifestyle Solutions were the guests speakers for this year's conference. Each speaker provided valuable information in the areas of Wealth, Health, and Wellness. The event was moderated by Machele Maner, an executive from Wachovia Bank. BJLGA of FL would like to take the opportunity to thank all of the guest speakers and the moderator for doing an excellent job

The "Florida Jewels" would also like to express thanks to the following sponsors for supporting the conference: Humana, Bob Morrison & Associates, Boomerangs Martini Bar, Tampa Electric Company, and Wachovia Bank.

The "Florida Jewels" would like to take the time to recognize the following supporters: Moffitt Cancer Society, American Cancer Society, Wachovia/Wells Fargo, Alpha Phi Alpha Fraternity Inc, Powerbroker Magazine, and American Heart Association.

A show of appreciation is given to all of the participants of the conference. The "Florida Jewels" would like to express their gratitude to our National President, Rasheena Wilson for battling the Florida Heat and participating in the event.

The 'Lorian Williams 4<sup>th</sup> Annual Millionaire "HERstory" conference was a success and the "Florida Jewels" believe that Lorian and her family would have been proud.
